WORK EXPERIENCE

Wiley Edge

Software Developer

Aug 2021 - Aug 2023

- Actively contributed to the development and maintenance of web applications using React, React Native, Redux, and Typescript.
- Collaborated with cross functional teams, including designers and QA engineers, to ensure seamless integration and deliver high-quality products.
- Engaged in code reviews and provided constructive feedback to uphold code quality and best practices.
- Played a key role in bug fixing and troubleshooting efforts for existing web and mobile applications.

Freelance Web Developer

- Contributed to open-source projects, honing my JavaScript and Git skills while improving functionality and documentation.
- Collaborated with content creators to optimize website content for SEO, including keyword research, title tag creation, and internal linking strategies.

EDUCATION

University of North Carolina at Chapel Hill

Fullstack Developer Bootcamp

American Public University

Bachelor's Degree in Information Technology
